About the Northwest Indiana Regional Development Authority

Established in 2005 through a bipartisan effort including Governor Mitchell E. Daniels, Congressman Peter J. Visclosky, key state legislators, and local elected officials, the RDA is quasi-governmental development entity entrusted to make public investment decisions within a regional framework for supporting catalytic infrastructure projects and inducing private sector investment. Its mission is to be a catalyst for transforming the economy and quality of life for Northwest Indiana. For more information, visit www.in.gov/rda and www.rdatransformation.com.
